Safety Buck Program

We are extremely excited about our Safety Buck's Program. We promote Safety, Productivity, and Quality at QLM, and it is not by mistake that Safety is first.

Our team member's safety is priority number one for us, but it starts with our outstanding team members. 90% of all accidents occur due to an unsafe act, not condition.

So we are rewarding our team members for your safe actions on the job. For every hour you work safely you will earn a safety buck that can be redeemed from our Safety Buck's Catalog. Your safety bucks appear automatically on your electronic pay stub. All you have to do is fill out the order form on the back of the attached catalog and turn it into your branch.

Your item will be sent to your home based branch within 2 to 4 weeks.

A text will automatically be sent to you upon it's being shipped out.

Have an outstanding day, and as always be Safe!

Mark A. Lang Sr.
President/CEO
