# Safety Buck Program

We are extremely excited about our Safety Buck's Program. We promote **Safety**, **Productivity**, and **Quality** at QLM, and it is not by mistake that Safety is first.

Our team member's safety is priority number one for us, but it starts with our outstanding team members. 90% of all accidents occur due to an unsafe act, not condition.

So we are rewarding our team members for your safe actions on the job. For every hour you work safely you will earn a safety buck that can be redeemed from our Safety Buck's Catalog. Your safety bucks appear automatically on your electronic pay stub. All you have to do is fill out the order form on the back of the attached catalog and turn it into your branch.

Have an outstanding day, and as always be Safe!

# QLM is excited to offer Safety Bucks to our Team Members!

Safety Bucks is a program to recognize our team for their diligence to safety on the job, providing a core Philosophy of QLM.

1 Safe work hour = 1 Safety Buck.

For each safe hour that our Team Member works, they will be given one safety buck that will show up on their electronic pay stub.

Safety Bucks are redeemable for items in the safety buck catalog, they are not redeemable for cash.
